Dear Brad:

Effective February 10, 1992, Manville Sales Corporation changed its name to Schuller International, Inc. This corporate change did not involve any transfer of assets - either into or out of the company. Also, this does not affect any rights and obligations under our existing contracts or other arrangements.

If you have any questions, please call me at 303-978-2139.

Very truly yours,
